## **THE WEST COAST TIP SHOP EXPRESSION OF INTEREST COMMUNITY CONSULTATION FEEDBACK AND COMMENTS**

The West Coast Council is committed to improving waste operations on the West Coast. The community has expressed an interest in reuse options for material left at West Coast Council Waste Transfer Stations, including a tip shop. The West Coast Council does not have the expertise or resources necessary to successfully operate a tip shop therefore expressions of interest were sort from businesses and community groups.

The Expression of Interest was released for public comment for a period of 4 weeks, closing on Friday 19 February 2021. The comment period was advertised via social media, Council website and local radio.

There were no submissions received in relation to the Expression of Interest.
